Post Confirmation Report

Notes to the Post Confirmation Report

This report includes activity from the following Debtors and their related Case Numbers:

Debtor	Case Number
Voyager Digital, LLC	22-10945

Notes to the PCR:

The Bankruptcy Court entered a Corrected and Amended Order signed on March 10, 2023 approving the second amended disclosure statement and confirming the third amended joint plan of Voyager Digital Holdings, Inc. and its Debtor affiliates pursuant to Chapter 11 of the Bankruptcy Code [Docket No. 1166]. The Effective Date of the Plan occurred on May 19, 2023 [Docket No. 1403].

The Post-Confirmation Report is unaudited and does not purport to represent financial statements prepared in accordance with GAAP nor is it intended to fully reconcile the consolidated financial statements prepared by the Reorganized Debtors. Information contained in the Post-Confirmation Report has been derived from the Reorganized Debtors' books and records as of March 31, 2024. The Reorganized Debtors have prepared this quarterly report for the time period of January 1, 2024, through March 31, 2024, using the best information presently available to them, which has been collected, maintained, and prepared in accordance with their historical accounting practices. The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Reorganized Debtors in the future.

The Debtors reserve all rights to amend or supplement this Post Confirmation Report in all respects, as may be necessary or appropriate. Nothing contained in this Post Confirmation Report shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases.

Notes to PCR Part 1:

Total Cash Disbursements include all cash disbursements made from the bank account of the relevant entity. Other non-cash properties transferred from Voyager Digital, LLC are representative of crypto distributions made to customers priced at a Volume Weighted Average Price ("VWAP") as of March 20, 2023. The initial in-kind distribution allowed creditors to withdraw certain coins which are outlined in the Liquidation Procedures [Docket 1374]. The initial distribution process began on June 23, 2023 and concluded on July 23, 2023.

Notes to PCR Part 3:

The Post-Confirmation Report includes recoveries to holders of Administrative Claims, Secured Claims, Priority Claims, and General Unsecured Claims. In accordance with the Plan, the initial in-kind distribution for Account Holder Claims (Class 3) began on June 23, 2023 and concluded on July 23, 2023. Given that the claim reconciliation process is still ongoing for certain classes of claims, the Reorganized Debtors are unable to anticipate or determine total payments that may be made under the Plan nor the total Claims that may be Allowed under the Plan. Therefore, "\$0" has been entered in certain columns of Part 3 where such information is unknown, not yet determined, or otherwise not applicable. Paid Cumulative Administrative claims are representative of filed administrative claims deemed valid, trade administrative claims, as well as various other applicable settlements / payments.

Promptly after the conclusion of the thirty-day withdrawal period, the Wind-Down Debtor and its professionals worked to identify the most efficient and value-maximizing method for liquidating the remaining cryptocurrency that was not withdrawn by customer-creditors (the "Remaining Assets"). Between August 11, 2023 and August 22, 2023, the Wind-Down Debtor liquidated the Remaining Assets. Consistent with the Liquidation Procedures, U.S. dollar distributions to customer-creditors have been calculated by multiplying the quantity of a token held by such creditor by the net liquidation price the Wind-Down Debtor received for the asset. Upon completion of the cryptocurrency liquidation process, the Wind-Down Debtor began preparing initial distribution checks to be sent to record holders of general unsecured claims of Voyager Digital, LLC as of May 19, 2023 (the "Effective Date") including: (i) non-customer creditors, and (ii) customer-creditors who elected not to withdraw some or all of their cryptocurrency during the in-kind withdrawal period. The Wind-Down Debtor began mailing out initial distribution checks in batches on September 20, 2023. Such checks were delivered to the address for each creditor as indicated in the Wind-Down Debtor's records or applicable claims register. For creditors that updated their mailing address on or before August 11, 2023, distribution checks were/will be sent to such creditor's updated address. Prior to April 20, 2024, all creditors included in the initial distribution check batches had the ability to request a check reissuance via the Creditor Portal. As Part 3 of this form includes distributions made in coin and \$ over various periods of time, all in-kind distributions have been measured at the value of the underlying cryptocurrency as of the March 20, 2023 VWAP and all customer check distributions have been valued at the applicable net liquidation price.

Notes to PCR Part 4:

This Post-Confirmation Report is not a final report and any date of application for a final decree is currently unknown.
